 - (f) No replacement of number plates will be made available. Any failure to meet the rules above will result in immediate disqualification without inquiry.
 - (g) In the event of a bike swap, the Participant must swap the number tag to the new bike prior to continuing with the Race at the designated PIT STOP.

- 3.5 Timing Chip. Each TEAM shall collect their timing chip baton at race collection. the timing Baton will need to be return upon completion of the race.
- 3.6 Safety. All Participants must be mindful of the safety aspect of the Race and shall be responsible for their own safety during the Race.
4. **Race Course and Number of Laps**
- 4.1 Race Course. It is the responsibility of each Participant to know the race course, and a map of the race course has been posted on the event website. The course will also be marked and/or signposted. All Participants must start and complete each lap within the designated race course and in the marked-out direction of the race course. If a Participant exits the race course for any reason, he/she must return to the race course at the exact same point from which he/she exited.
- 4.2 Number of Laps. For the Marathon Ranking, the objective of the race is to gain the most laps possible within the hours of racing. All Participants must complete the full lap in order to clock in the lap.
- 4.3 Enduro-S Ranking the objective is to race at least 5 laps of the full route, clocking in at least 5 Enduro-S timed descent to be ranked. Cumulative time of the 5 best laps will be added upon the final Enduro-S Ranking.
- 4.3 TEAM Participants. TEAM Participants may take turns to complete each lap of the race course, TEAM Participant may only swap team member at the TRANSITION AREA.
- 4.5 Ride, Push, Carry. Each Participant may ride, push or carry his/her bike the entire course.

5. **Race Start and Finish**

- 5.1 **Pre-Race Briefing.** All SOLO Participants and TEAM Captains shall attend the pre-race briefing. Any SOLO Participant or TEAM Captain who is unable to attend the pre-race briefing may send someone to attend on his/her behalf. All Participants shall be deemed to have attended the pre-race briefing and read and understood all the rules and regulations. Ignorance of any of these rules (or any changes to these rules communicated to Participants at the Pre-Race Briefing) is not an excuse.
- 5.2 **Pre-Race Holding Area.** All SOLO Participants and the first Participant of each TEAM shall be present at the START/FINISH HOLDING AREA 15 minutes before the designated start time with their bikes. Failure to do so will result in his/her/that TEAM not receiving an official classification and timing, and he/she/that TEAM will be deemed not to have started (i.e. DNS – Did Not Start).
- 5.3 **Flag-Off Announcements.** The following series of announcements will be given prior to each flag off :-
- (a) 1st announcement - 15 minute countdown; (competitors to move to START line)
 - (b) 2nd announcement - 10 minute countdown;
 - (c) 3rd and final announcement - 5 minute ; and
 - (d) subsequently, announcements will be made 3 minutes, 2 minutes, 1 minute, 30 seconds and 15 seconds to flag off. The air horn/whistle/start pistol may sound off at any time after the last 15 second announcement.
- 5.4 **Timing.** Each SOLO and TEAM Participant shall complete each lap when he/she crosses the TIMING ZONE at the START/FINISH straight.
- 5.5 **Sign-Out.** All SOLO / TEAM Participants who finish the race are immediately required to “sign out” at the RACE SECRETARIAT. Failure to do so will result in the SOLO Participant / TEAM not receiving an official classification and timing, and he/she/that TEAM will be deemed to have not finished (i.e. DNF – Did Not Finish).
- 5.6 **Withdrawal prior to Race start.** Any Participant wishing to withdraw from the Race before the Race starts shall immediately inform the Race Director and the Race Secretariat.
- 5.7 **Withdrawal during Race.** Any SOLO / TEAM Participant wishing to withdraw from the Race during the Race shall inform the nearest marshal and shall inform the Race Secretariat upon reaching the finish line. For safety reasons, there will be no reverse riding allowed on

the course! He/she shall take a route other than the race course (if any) back to the START/FINISH LINE so as not to obstruct other Participants. If there is no alternative route, he/she shall stay as far as possible out of the way of the other Participants who are still continuing the race.

- 5.8 Incomplete Lap. If a TEAM Participant cannot complete his/her lap, the TEAM has the option of starting the lap over with a new TEAM Participant and therefore any portion of a lap ridden will be canceled. They will, however, lose the distance and time of the incomplete lap. The replacement TEAM Participant must check-in with the PIT STOP official prior to beginning the lap.
- 5.9 Cut-Off Time. The cut-off time for starting the last lap from the START FINISH line shall be 30mins before the end of the 8hours race. All final laps must be completed by the 8hours mark in order for the lap to be credited. The Race Director reserves the right to change the cut-off time(s) to allow a more efficient running of the event.
- 5.10 Placement. Each SOLO Participant's and TEAM's placing will be determined by the SOLO Participant / TEAM to have completed the most laps in the race time, after taking into account any adjustment of time as a result of providing assistance or suffering time penalties in accordance with these rules.

6. **PIT STOP , Feeding and Technical Assistance**

- 6.1 PIT STOP. The PIT STOP is the only designated area within the Race course where Participants are allowed to do the following :-
- (a) Be assisted by a feeder/mechanic/teammate who is providing technical or other assistance and feeding.
 - (b) Change of bikes.
 - (c) Change of timing chip.
- 6.2 NO Riding in the PIT STOP. All Participants are NOT allowed to ride through the PIT STOP. Participants wishing to stop at the PIT STOP shall dismount and pushed through the pit area. A penalty may be imposed by the Race Director for any dangerous maneuver and obstruction within the PIT STOP by any Participant.
- 6.3 Timing and Timing Chip. Each SOLO and each TEAM Participant shall have one timing chip at all times during the race. The timing gantry is located at the TIMING ZONE at the START FINISH area. Each Participant must ensure that he/she cross the TIMING ZONE which captures each of his/her lap times. Failure to do so will result in his/her time not being captured, and he/she will be deemed to have not credited with the lap, even if he/she

finishes the race. Each Participant shall complete each lap when he/she crosses the timing mat. Participants might be asked to dismount before the TIMING ZONE and remount upon exiting the TIMING ZONE.

- 6.4 Turning Back. SOLO Participants who have passed the PIT STOP may NOT turn back on the Race course to reach the PIT STOP.

- 6.5 Assistance inside and outside PIT STOP. Participants may approach the neutral support (if available) located within the PIT STOP for technical assistance. All Participants may carry their own tools during the race or place them within the designated TEAM TENTS. Support crew can only help within the PIT STOP. Technical assistance and support is allowed OUTSIDE the PIT STOP only by other Participants.

- 6.6 Water and Aid Station. There is only one water and aid station located within or near the PITSTOP.

- 6.7 TRANSITION ZONE Change of TEAM Participants may be done at the designated TRANSITION ZONE.

7. **Support, Tentage and Advertising Material**

- 7.1 Tentage Area. SOLO and TEAM tentage shall only be placed in the designated Team Tentage Area. Please see the rules on placement on Team Tentage on the event website.
- 7.2 Support within Tentage Area. Participants may receive support from anyone within the PIT STOP and within their Tentage Area only.
- 7.3 Support from other parts of Race Course. Participants may bring as many supporters as they would like, however their support is limited to the areas specified above. Supporters may cheer alongside the Race Course without causing any obstruction to the Participants, and certain designated areas of the Race Course are out of bounds to supporters as they may compromise the safety of the Participants.
- 7.4 Riding on Race Course. Only Participants officially entered in the Race or riders designated as "Officials" may ride on the Race Course. No support crew members, friends, or family members may ride on any portion of the Race Course. Violation of this rule is grounds for disqualification.
- 7.5 Respect Nature. All Participants and their supporters must respect nature and shall not pollute the Race Course or the course venue.

8. **Race Etiquette and Cheating**

- 8.1 Sportsmanship. Each Participant must act in a sporting manner at all times and shall permit any faster rider to overtake without obstructing. Participants riding bicycles have the right of way over Participants pushing bicycles. When practical, Participants pushing should stay on the least rideable portion of the path when being passed. Participants should say pleasantly, "Coming on your left" or "Coming on your right" when passing other riders.
- 8.2 Negative Behaviour. Participants must :-
- (a) not display any unsportsmanlike behavior;
 - (b) not use offensive or abusive language;
 - (c) not act in a threatening or unbecoming manner;
 - (d) not be disrespectful to the officials; and
 - (e) not ignore race regulations.

- 8.3 Warning and Disqualification. Any negative behaviour displayed are grounds for warning and/or disqualification of a SOLO Participant or TEAM.
- 8.4 Short-Cut. Short cutting the Race Course can be grounds for automatic disqualification of the SOLO Participant or the entire TEAM. If a Participant makes a mistake, and he/she reports it to the officials before it is discovered, a time adjustment will be made rather than a DQ.
- 8.5 Injured Rider or Potentially Unsafe Situation. Safety on the Race Course is our primary concern. If any Participant comes across an injured rider or a potentially unsafe situation, that Participant is encouraged to stop and assist. If the Participant stops to give assistance for a health or safety-related reason, that Participant may report his/her race number to the nearest marshal or any passing Participant who should turn it in to the relevant officials at the START/FINISH area or the PIT-STOP. If the assisting Participant is part of a TEAM, the Race Director reserves the right to allow the next rider of that TEAM to begin his/her lap before the assisting Participant completes his/her lap. However, the assisting Participant must still complete his/her lap and report to an official the nature of the assistance he/she provided and the approximate time and duration of his/her assistance stop. He/she will be assigned a lap time in accord with his/her average lap time, depending on the time of day he/she stops to assist. All decisions regarding time adjustment will be made by the Race Director and will be final. NOTE: This rule applies ONLY to health and safety concerns. It does NOT apply to assistance with mechanical problems or repairs!
9. **Protest**
- 9.1 Protest. Any Participant wishing to make a protest must fill and file an official protest form at the RACE SECRETARIAT within 15 minutes of crossing the line, accompanied with a SGD100 deposit. Only the TEAM Captain shall do the same for any TEAM. Official protest forms are available at the RACE SECRETARIAT . No verbal protest will be entertained.
- 9.2 Deposit. The deposit will be returned if the Participant's protest is successful, and forfeited if the protest is unsuccessful.
- 9.3 Decision. A decision will be made within 30 minutes of the filing of the protest or such later time once all supporting evidence is made available to to the Race Director. Once a decision is made, the decision is final.

10. **Race Rules**

10.1 Race Rules. Participants shall abide by these race rules and the Race Director reserves the right to bar any Participant from the race for any infringement of these rules.

10.2 Race Director's Discretion and Decision. The Race Director shall have the right to exercise discretion on a case-to-case basis and he/she will be given the final decision regarding any occurrence at the event including those not addressed in these rules.

10.3 Weather or other catastrophic circumstances. In the case of a catastrophic event due to weather or any other extenuating circumstances, the Race Director has the right to make decisions as to whether the Race continues, including as a last resort calling the race as at a certain time with final results being calculated based on each SOLO or Team Participants placement at the call time as determined by his/her/its last completed lap. The first and foremost objective is to keep Participants and spectators reasonably safe while at the event.

10.4 RED FLAG / GREEN FLAG condition. The Race Director may signal for a RED FLAG condition in which the race will be stop of a period of time/indefinitely, and signal for a GREEN FLAG condition where the race will be allow to continue. The RED FLAG and GREEN FLAG or its equivalent signage will be placed at the exit of the PIT STOP and TIMING ZONE, in which the rider may proceed or disallowed to proceed from that point. Participants who reached the TECH ZONE 2 during a RED FLAG condition will be marked and given a card or similar marker to restart their race at the TECH ZONE 2 instead of the START FINISH when the condition turns to a GREEN FLAG condition.

GREEN FLAG	Race proceed as per normal
RED FLAG	Race stop momentary. Participants may not move out of the PIT STOP and/or the TIMING ZONE
